

# PINWHEELS FOR

# PREVENTION®

Prevent Child Abuse America launched the national Pinwheels for Prevention® campaign in 2008 during Child Abuse Prevention Month in April. To date, over 5 million pinwheels have been displayed. The campaign symbol, a blue and silver pinwheel, is meant to spread a message of resilience, engage communities, and inspire action across Oregon.

## Goals

Display pinwheels in every community in Oregon

Plant Pinwheel Gardens in every county

Engage partner organizations and support local activities

Partner with PCAO this April by joining the campaign in whatever way makes sense for you or your organization. P4P Partners will receive recognition on the PCAO website, the P4P Report, and all social media platforms.
